DETAILED ACTION

Reason for allowance

1. Claims 1, 2, 4-6, 9-18 and 20-24 are allowed.
2. The following is an examiner's statement of reason for allowance:

With regard to method claims 1, 2, 4-6, 9-13 and 24, the prior art of record, either singularly or in combination, does not disclose or suggest at least the claim limitations of “the first and second dielectric layer stacks are formed according to a first and second CVD process respectively, the first CVD process comprises a CVD deposition process comprising at least one of a lower temperature and a higher pressure compared to the second CVD process” as instantly claimed and in combination with the additionally claimed method steps.

With regard to method claims 14-18 and 20-23, the prior art of record, either singularly or in combination, does not disclose or suggest at least the claim limitations of “the first CVD process comprises at least one of a lower deposition temperature and a higher pressure compared to the second CVD process to produce a lower etching resistance in a reactive ion etching process” as instantly claimed and in combination with the additionally claimed method steps.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
